Welcome!

How Can We Help You?

CLIFTON
PERFORMANCE
THEATRE

Dear Theatre Friend,

The Clifton Players are dedicated to creating opportunities for people to embrace and express their creative spirit. We are an artist driven company where the ensemble members each has a vote in most all decisions: a democracy of both equity and non-equity actors, directors and designers who call the Clifton Performance Theatre (CPT), home. In our home, we offer camps, workshops and classes for all ages, outreaching in the community, while bringing thought-provoking plays in our theatre space, in the historic Gaslight district of Clifton.

We like to call CPT, a theatrical "sand box" where we engage, inspire, entertain and challenge audiences with theatrical productions that range from the classics to new works; we train and support the next generation of theatre artists; we provide extensive and unique arts education programs that promote life-long learning to a diverse community; and we celebrate the essential power of the theatre and the playwright to illuminate our common humanity and our city as an arts destination.

In addition to our adult ensemble, our 9-year running youth programming has proven very successful with helping young people grow in their social skills and theatrical talent.

We thank you for your support of the Clifton Players and Clifton Performance Theatre. Check out our sponsorship options, and let us know how we can help you and your business through supporting the arts!

Sincerely,

Carol Brammer
Artistic Director
